

Tuesday 5th January 2020

Dear Parents and Carers,

Following the most recent announcement from the Prime Minister I write to inform you that NUAST will be closed to all but key worker and vulnerable students until the end of February half term.

Vulnerable and Key Worker Children

Vulnerable children and children of key workers will return to on-site provision from January 5th. Spaces should be booked with the school prior to attendance of students using the weblink www.nuast.org.uk/keyworker

Remote education will be provided for year groups (**Year 7 – Year 13**) from Wednesday 6th January. Similar to the autumn term, our remote provision will be delivered via MS Teams. Students should adhere to the timings of their normal school timetable, including breaks and lunchtimes. Students who do not have access to IT facilities should contact their head of year via email for support.

Year 11 Cambridge National and Year 12/13 BTEC Examinations

Vocational examinations **will go ahead** as planned during January; please follow the information already issued regarding times and venues. All students with external BTEC and Cambridge National examinations should attend the school in order to complete the examination.

Yours sincerely

Bob White
Principal

Nottingham University Academy of Science and Technology | 93 Abbey Street, Nottingham NG7 2PL
