

Monday 23rd January 2018

Dear Parent/Carer,

As part of the experience of NUAST, we encourage collaborating with the University of Nottingham on projects which will give students a better insight to the course content and its application in real life context.

On the **24th January**, the university are putting on a series workshops which will cover key aspects of the A-Level Physics curriculum. These practical sessions will cover quantum physics through to the testing of materials. Students will leave school accompanied by Mr Beardsall and Dr. Columbo where we will be walking over to the university after lunch. For this reason, students should wear sensible footwear and bring a waterproof coat. We will be leaving school at **13:30** and be finished by **16:00**.

In order for your child to go to the university we will need the permission slip returned as well as the Confidential Parental Consent Form as soon as possible but no later than **9.00am on 24nd January**. Without either of these they will not be allowed to go on the university.

If you require any further details please contact NUAST reception.

Yours Faithfully

Mr Beardsall
Head of Physics

Student Name _____

I consent to my child walking over to the University of Nottingham for the visit on
24th January 2018.

Parent Name: _____

Parent Signature: _____

Date: _____
